[objective]

AS AN ANIMATOR. . .

I am looking to use a combination of strong artistic ability and technical proficiency to produce animation that reflects my own thought process and enriches the lives of its viewers.

[professional.EXPERIENCE]

MAY 2008 TO PRESENT - MAC SPECIALIST - APPLE INC. - KANSAS CITY, MO

-Back of house and on floor visuals development. Developing tools to improve in-store workflow.

-Training Mac/iPhone owners to use products in a way best suited to their needs.

AUGUST 2009 - FREELANCE ANIMATION - KANSAS CITY ART INSTITUTE - KANSAS CITY, MO

-Worked with another animator in developing and animating short ID's for each department.

DEC 2007 TO MAY 2009 - ANIMATION PIPELINE DEVELOPMENT - KCAI - KANSAS CITY, MO

-Worked with faculty members to develop & maintain animation production pipeline and

database across multiple platforms.

AUGUST 2008 - FREELANCE 3D MODELING - DRIVE DIGITAL - OVERLAND PARK, KS

-Commissioned 3D modeling work for web development project.

JUNE 2007 TO AUGUST 2007 - INTERNSHIP @ IMAGEQUEST PHOTOGRAPHY - KANSAS CITY, KS

-High-Resolution scanning, color correction, and large-format printing of media.

[education]
